

# SINGLE STREAM RECYCLING INSTRUCTIONS

---

**PLASTICS:** Household container plastics #1 through #7 are recyclable. Plastic bags (grocery, newspaper, etc. – no black or brown bags) that are clean and dry should be placed inside a clear or transparent bag and tied shut; full bag should be no larger than a basketball. Plastic items that are not recyclable include: Formed Styrofoam, packing peanuts, and oil bottles.

---

**METALS:** Tin and Aluminum Food, Beverage, and Aerosol cans, can be recycled. They should be empty and the plastic tops removed. Cardboard sided juice cans and paint cans are not recyclable. Small items of scrap metal may also be recycled (pots, pans, toasters, etc.), nothing smaller than 2 inches or larger than a basketball and weighing more than 10 lbs.

---

**GLASS:** Green, brown, blue, and clear bottles and jars only. Windows, mirrors, glassware, ceramics, and light bulbs are not recyclable.

---

**PAPER:** Newspaper, magazines, office paper, phone books, paper milk and juice cartons and junk mail should be placed loose in the recycling bin. Tissue or paper towels, food and candy wrappers are not recyclable. Gift wrapping paper (non-foil type) is also recyclable.

---

**CARDBOARD:** All cardboard boxes including paperboard (cereal boxes, etc...) are recyclable. Wax and plastic coated cardboard are not recyclable. Please flatten boxes; pieces should be no larger than 3 feet by 3 feet.

---

Recyclables may be mixed in clear or transparent bags and placed in bins, drivers look for the bins to determine if a stop is needed.

Please rinse containers!

Preparing recyclables correctly is important for the Recycling Centers automated single-stream sorting process. Proper preparation ensures that recyclables will not be landfilled, helping keep your communities cost down.

---

## THANK YOU FOR YOUR COOPERATION

RECYCLING & WASTE COLLECTION

# VILLAGE OF RIDGEWAY 2017 RECYCLING INSTRUCTIONS

---

Garbage and Recycling collection will be every Wednesday.  
Please have items out for collection by 7:00 a.m.

---

## PLEASE NOTE: SCHEDULE CHANGES DURING HOLIDAY WEEKS.

Memorial Day collection will be on Thursday, June 1st  
Independence Day collection will be on Thursday, July 6th  
Labor Day collection will be Thursday, September 7th  
Christmas collection will be Thursday, December 28th

To help avoid worker injury, garbage containers should have a maximum size of 35 gallons and weigh no more than 50 pounds.

Items that are not considered solid waste or recyclables for weekly collection are: leaves, grass clippings, garden waste, brush, wood, cement, construction and remodeling materials, fencing, major appliances, waste tires, waste oils, lead acid batteries, and electronics (t.v.'s, computer components, fax machines, DVD players, VCR's and DVR's)

Place items for collection near roadside for easy access by our vehicles.

Village spring and fall clean up days will be May 17th and October 18th

---

Collection of tires and appliances will be according to the following guidelines:

- Each residential household would be responsible for contacting the Village, at least one day prior to both spring and fall clean up days.
- All tires and appliances for collection would need to be placed at curbside.
  - Residents would be responsible for the cost for the tire and appliance recycling with payment being made to the Village.
  - Charges are based on the following:

### Tires

Car Tires .....	\$3.00 ea.
Car Tires on rim.....	\$6.00 ea.

### Appliances

Washer, dryer, dishwasher, & stove.....	\$5.00 ea.
Microwave .....	\$10.00 ea.
Refrigerator, freezer, air conditioner, & dehumidifier .....	\$15.00 ea.

For more information please contact your municipality  
or call our office @ 608-348-9586.
